**Report of Federal Grant Required Match**

**Date: 06.05.13**

**Federal Grant Name: State Indoor Radon Grant**

**Federal Funding Source: EPA**

**Summary of Project:** IDPH will target specific radon issues in the state. Educating the public about radon, testing homes and other buildings for the presence of radon, ensuring radon reduction measures are correctly understood and installed, and having radon resistant new construction (RRNC) techniques correctly implemented during new construction are vital components to the structure and success of the Iowa Radon Program.

The Iowa Radon Program will continue its efforts to promote radon testing and mitigation through education and outreach activities. The following sections summarize the Iowa SIRG program. The proposed budget justification found in the radon program budget corresponds to each program area.
